22. Founded in 2011, **MICHAEL ROBBINS** is a small handmade furniture company in the Hudson Valley. Distinguishable by exceptional quality and evolving design, Michael and his team create made-to-order pieces, paying homage to the materials and surroundings of his native landscape. For enquiries, email info@mchlrbns.com, view in-stock pieces at mchlrbns.com/readytoship and [@_michael_robbins](https://www.instagram.com/_michael_robbins) on Instagram.

23. Designers Claudia d'Oncieu and Clementina Calleri merge their artful visions of interior design in **PARANÁ STUDIO**. Standing out for their singular eclectic charm, their made-to-order pieces are the fruit of collaborations with talented artists and master artisans, who meticulously handcraft each piece and infuse an authentic touch that will reflect and heighten the character of the decors they will inhabit. Fashioned using only Italian materials, Paraná Studio's products are an exercise in timeless craftsmanship to last a lifetime. Find out more at www.paranastudio.com and follow [@paranastudio](https://www.instagram.com/paranastudio) on Instagram.

24. **CHRISTOPHER NORMAN** is a Los Angeles-based architect and artist creating formal objects for living. His large-scale wooden works are formed from single segments of unglued wood, using industrial machines from the 1940s. Designed to be part of the home, to be touched and used. Search Christopher Norman Projects on incollect.com and follow [@christophernormanprojects](https://www.instagram.com/christophernormanprojects) on Instagram.

25. **RESIDENT**, the first globally focussed design house from New Zealand, returns to the London Design Festival for the first time since 2018. Resident is the home of enduring design pieces, created for the next generation of conscious contemporary living. For more information visit www.resident.co.nz and follow the brand [@residentnz](https://www.instagram.com/residentnz) on Instagram.

26. **ANDREW KAY** is an award winning sculptor whose work can be seen throughout the world. His life-size sculptures capture the essence of wild animals using deceptively simple form. Visit www.andrewkaysculpture.com or call 07740 306412 to find out more.

27. **AGUIRRE** is a New York based design studio that creates bespoke furniture pieces that are sculptural yet functional. Their striking collections are characterised by minimalist designs, elemental materials and a raw but refined aesthetic. Pictured here are two Cast Bronze Nero Side Tables which are part of their latest collection, 'Texture Volcania'.

28. **QUADRILLE** designs and manufactures matching hand-printed fabrics and wallpapers for the interior design trade in the United States and the UK. Its brands include Quadrille, China Seas, Alan Campbell, Home Couture, Cloth & Paper, and LuluDK. China Seas offers unique and authentic batiks and island-inspired patterns, while Alan Campbell features bold graphic prints. Home Couture creates large-scale contemporary versions of classics with a fresh colour palette. Shown here is Persepolis from Home Couture. Visit quadrillefabrics.com and follow [@quadrillefabrics](https://www.instagram.com/quadrillefabrics) on Instagram.

29. **THE SOHO LIGHTING COMPANY** brings you their new and exquisitely engraved switches and sockets. Both practical and aesthetically stunning, these beautiful design assets will optimise the finish of any interior. Gone are the days of guessing which switch connects to which light, and they come in an array of stunning finishes and designs. A true mark of distinction! See more at Soholighting.com or call 020 8106 1221.
